

## Youth Bidders Conference Questions and Answers:

Q: 1. Is it possible to submit a proposal for ISY only? If a proposal for ISY only is not possible, would there be some negotiation to change the proposal to add some out of school youth?

A: Yes you can submit a proposal for ISY only. The ratio for youth services is 75% OSY and 25% ISY. If your proposal is for 100% ISY or 100% OSY, negotiations will have to be done with each sub-recipient after the determination of the total number of participants being served for PY 21.

Q 2. If a bidder is planning to serve more than one county, must an individual bid be submitted for each county or can a bid for multiple counties be rolled into one.

A. A bidder should only submit one proposal. Forms packet (page 25) will explain to us how many counties you intend to serve. The Attachment F (budget) should reflect the total budget for all counties you intend to serve.
